1917 National Touring Car \$1325

Here is an opportunity for some one who desires a highgrade motor car at an exceptionally low price. This car has been consigned with us for sale by a friend of the owner. This party stated that the owner was very much in need of money and he was anxious for us to take it and

The car looks good has good tires, a spare tire, good top, gypsy curtains at side with plate glass. The car has been owned by a person who appreciates high-grade motor cars, as this car shows. We recommend it as a most excellent purchase for somebody desiring this type and make of car.
